

DESIRED EFFECT ANTIQUES

Antique solid oak chest of drawers

Sold

REF: 1559

Description

A tall antique chest of drawers with two separate cupboards on top. Constructed of solid oak throughout some of which is very attractively figured and retaining all the original handles. The cupboards both have individual locks with working keys, the drawers have 1 key that works all the locks however the bottom lock is missing. In good clean solid condition and very heavy.

97cm wide - 38 inch
49cm deep - 19 inch
158cm high - 62 inch
